

POSTDOCTORAL RESEARCH ASSOCIATE

The USDA, Agricultural Research Service, Invasive Insect and Behavior Laboratory in Beltsville Agricultural Research Center, Beltsville, Maryland is seeking a POSTDOCTORAL RESEARCH ASSOCIATE, Research Entomologist for ONE YEAR APPOINTMENT. Position is available immediately. Ph.D. is required. Salary is commensurate with experience plus benefits. Citizenship restrictions apply. The incumbent will work in the Crop Protection and Quarantine Program and will conduct research with the long-term goal of developing unique behavioral and biological pest management strategies to manage insect pest and other arthropod populations below economic injury levels using environmentally sound methods. The incumbent will conduct semiochemical identification, behavior bioassay, and field test to develop efficient crop protection tools for the brown marmorated stink bug management. The position requires a recent Ph.D. with knowledge of chemical ecology, entomology, and skill in the use of statistical analysis software. Send application and references to Dr. Aijun Zhang, USDA, Agricultural Research Service, Invasive Insect Biocontrol and Behavior Laboratory, Bldg. 007, Rm. 312, BARC-West, 10300 Baltimore Ave., Beltsville, MD 20705-2350. Tel: 301-504-5223 (Office), Fax: 301-504-6580, E-mail: aijun.zhang@ars.usda.gov. *USDA/ARS is an equal opportunity employer and provider*
