

Postdoctoral Fellowships

Vetmeduni Vienna invites applications for to 6 post doctoral fellowships as early career opportunities for developing outstanding research programs.

Starting 2015 the university will award each fellowship a 4 year funding. Salary is € 49.644,00 (before tax) per year. No teaching or administrative duties are associated with these appointments, however candidates are expected to apply for additional research funding. For the research areas in which you are invited to apply and for additional details please use the link: <http://www.vetmeduni.ac.at/en/research/young-scientists/postdoc-programme/>

Closing date for applications: March 31th 2015

A PhD degree in Life Sciences or Dr.med.vet. or Dr.med.degree is required.

Application should contain: full CV including publication list, application letter, 2 letters of recommendation, the application form (you can find this on the website) and should be submitted electronically to: ffi@vetmeduni.ac.at (also for informal enquiries.)

Vetmeduni Vienna is committed to the recruitment and advancement of female scientists. Appointments will be subjected to a pre employment screening.
